	Hoosier	350	132	L & L Loft	0030-AU17-LL		0.13347	

We have added a new column to the sheet this year called "#RC", which stands for Number of Races Clocked. You need to clock in three races to qualify, but you will see from this column that some breeders had four, five, six, seven or eight races from which to select their three best results.

The table, does not tell you how many birds a top breeders entered, but it does tell you how many races they clocked birds in, and that can give you some idea of how many birds they might have entered, across all races in the competition.

66 lofts clocked in the final race of at least three participating OLR's
723 lofts clocked in at least one final race of the eight participating OLR's
